

VISION AND PURPOSE

The vision of CCLV is to know God and to make Him known. We accomplish this by **Worshipping** Him, **Equipping** His people, **Reaching** Las Vegas and **Impacting** the world with the gospel. Our Home Groups are intended to fulfill the vision and mission of the church, specifically in the area of equipping God's people. Jesus intended His people to develop genuine, sincere relationships built on love and mutual respect. Our Home Groups are designed to be a place where this happens, where disciples are made.

CCLV Home Groups are discipleship centers. Jesus spent 3 years in close relationship with 12 men. They were His disciples, His students, His followers. They grew through His teaching, His example, and through the opportunities to serve that He placed before them. After His resurrection, they disciplined others, and those others disciplined others, and the church grew exponentially one disciple at a time. That is the model that He established and that is the model for CCLV Home Groups.

CCLV Home Groups promote unity in the church. Much like the human body grows, stays healthy, and is most effective and efficient when all of its parts are working together, and in the manner in which they were designed, this Home Group study growth model is healthy and most effective and efficient, when its parts and its positional members work together in the manner in which they were designed. As this occurs, growth in all of its forms, becomes a natural byproduct for the individuals within the groups, the individuals serving, the relative families, and the ministry.
