

A MISSION FIELD IS RIGHT IN OUR OWN BACKYARD

- As we end this 3-year B2R campaign, we celebrate the faithfulness of God.
- We recognize that not all of us were able to complete our pledged amounts and we have many new people who never got the chance to give.
- We are extending our B2R campaign to the end of the year. This will help us finish our commitments, and give those who are new the opportunity to participate in this incredible initiative that is already changing people's lives.

GOD IS DOING GREAT THINGS IN OUR LIVES THROUGH B2R

Take our **B2R TOUR** and relive the precious memories or learn about them for the first time. Find the QR codes posted on our Reach Wall, Poem Wall, Baptistry, Front of Stage, and Production Booth. Each one is unique and displays for you our experience with images, videos, and descriptions of the incredible faithfulness of God!

As many of you have discovered the blessings of sacrificial giving, we invite you to continue to give, and ask you to prayerfully make a goal for your year-end giving toward B2R, Church Planting, or Awaken Events.

MAKE A GOAL FOR YOUR YEAR-END GIVING

B2R

AS WE COME TO THE END OF OUR 3-YEAR B2R CAMPAIGN, WE ARE IN AWE OF WHAT GOD DID!

We were praying for what would happen in the seats, and now we get to witness God moving in our Worship Center every week. We have seen people healed, relationships restored, and hundreds of people give their lives to the Lord as the gospel is preached.

God made a way for us to build in the midst of a pandemic which saved hundreds of thousands of dollars in inflation costs, and made it possible for us to worship in this building!

We are incredibly thankful for every individual and family who enthusiastically supported the B2R project! God used all of us to accomplish His mighty work and we can't wait to see all that happens in these seats and through these seats in the years to come!

Your continued sacrificial giving to B2R will allow us to upgrade and enhance our facility and to reach the hurting and lost people of Las Vegas with the gospel of Jesus Christ.

AWAKEN EVENTS

LARGE-SCALE, WORLD-WIDE URBAN EVANGELISTIC AND HUMANITARIAN OUTREACHES

Through our in-person and online events, God has used Awaken to impact almost **100,000** people around the world with the gospel and we have seen over **7,000** decisions for Christ!

We've partnered with nearly **300** local churches and provided follow-up and evangelism training to all of them; equipping God's people to fulfill the Great Commission.

Our events are always coupled with greatly-needed humanitarian services that include: medical, legal, food, clothing, and more to people in need, at no charge.

The faithful giving to Awaken Events is a spiritual investment in the Kingdom of God for eternity, as we see the lost saved, people's needs met, churches united, and the people of God equipped, to fulfill the Great Commission worldwide.

CHURCH PLANTING

IMPACT THE WORLD BY PLANTING HEALTHY CHURCHES NEAR AND FAR

Many new churches fail because they are often "on their own." Our Church Planting Collective is a unique and comprehensive training program for a network of church planters. We come alongside to give them support, training, and community so they can be healthy and succeed. With 19 current church plants and many more in the pipeline, our vision is to target regions nationally and internationally, to grow, and to have a global impact!

Please look over our list of church planters at cclasvegas.org/churchplanting and pray for them regularly.

Your giving to this initiative helps support church plants and church planters so they can be trained, obtain meeting spaces, do outreach in their cities, and minister to people with the gospel of Jesus Christ.
